**TERMINAL DISCLAIMER (37 CFR 1.321(b))**

SIR:

The owner, IPF, Inc. of one hundred (100) percent interest of the above-identified application hereby disclaims, as provided below, the terminal part of the statutory term of any patent granted on the above-referenced application which would extend beyond the expiration date of the full statutory term of any patent granted on pending reference Application No. 10/812,341 filed March 29, 2004, now Patent No. 7,848,948; No. 11/823,828 filed June 27, 2007; No. 10/058,970 filed January 28, 2002, now US Patent No. 7,711,598; and No. 09/695,744 filed October 24, 2000, as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application. The owner hereby agrees that any patent so granted on the above-referenced application shall be enforceable only for and during such period that it and any patent granted on the reference application are commonly owned. This agreement runs with any patent granted on the above-referenced application and is binding upon the grantee, its successors, and assigns.

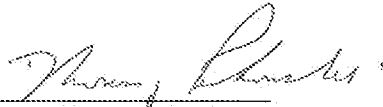

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the above-referenced application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on said reference application, "as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application," in the event that: any such patent: granted on the pending reference application: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

This Terminal Disclaimer is being signed under the provisions of 37 C.F.R. Section 1.321(b)(1)(iv).

Respectively submitted,

Dated: January 26, 2011
